

Installation & User Guide : DeleteAccount Module Magento 2.

Installation Steps :

Here are the basic steps to install the module in your sparkling magento 2 store.

Step 1 : After purchase of the module, download the module from my downloadable content from your account on our store.

Step 2 : Unzip that file to your project repository

Step 3 : Run below commands in your SSH

```
php bin/magento setup:upgrade  
php bin/magento setup:di:compile  
  
php bin/magento setup:static-content:deploy -f  
php bin/magento cache:flush
```

Step 4 : That's it, You are good go now, you can check the module in magento 2 admin.

Module User Guide :

> Overview :-

Knock!, We again come up with a supportive module for your store customers.

In Magento, customers don't have any opportunity to delete their own account from your sparkling magento 2 website.

Hence, we at AimsInfosoft have developed module Named **AimsInfosoft DeleteAccount** , which is usefull for customers to delete their own customer

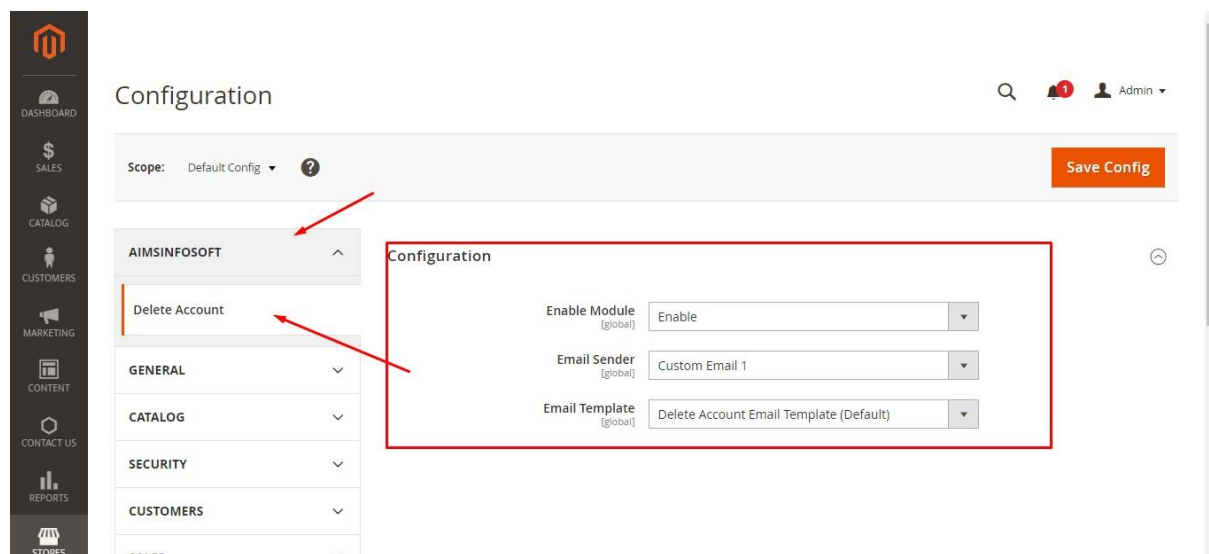

> Key-Features :-

- Customer Account Can Be Deleted Easily
- Two Step Deletion Process
- Customer Can Create Their Account Again With Same Details After Deletion of Previous One.
- Admin Will Have History of Deleted Customers in Backend With Selected Details.

Belows are steps that how it works.

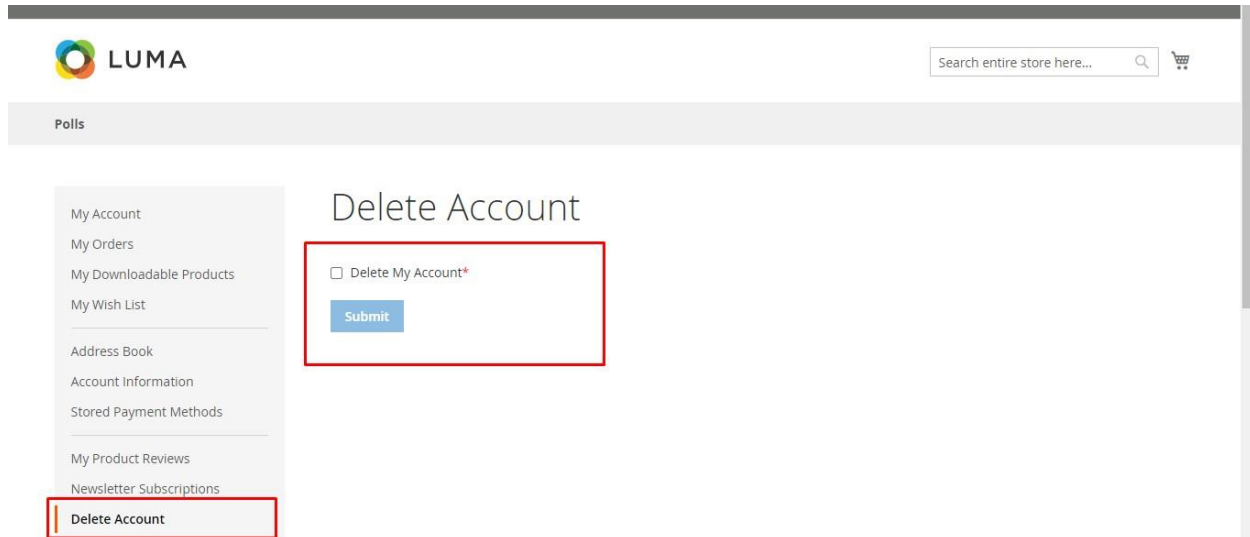

Step 1 :

When You Install the Module, First of All Your Will Need to Enable The Module From System Configuration Under Aimsinfosoft DeleteAccount Menu. You can Select Sender And Email Template as Well From System Configurations.

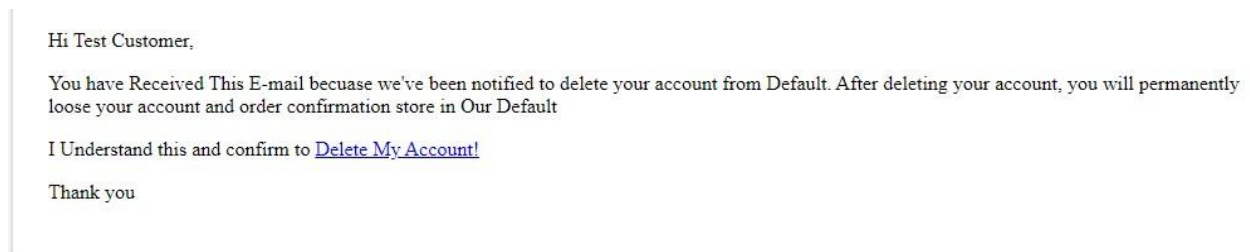

Step 2 :

Now Go To Frontend and Create Customer For website. And Once You Login With That Website You Will Have Left Side Menu Named “Delete Account”, When You Click On it, It Will Redirects You To Delete Customer Page.

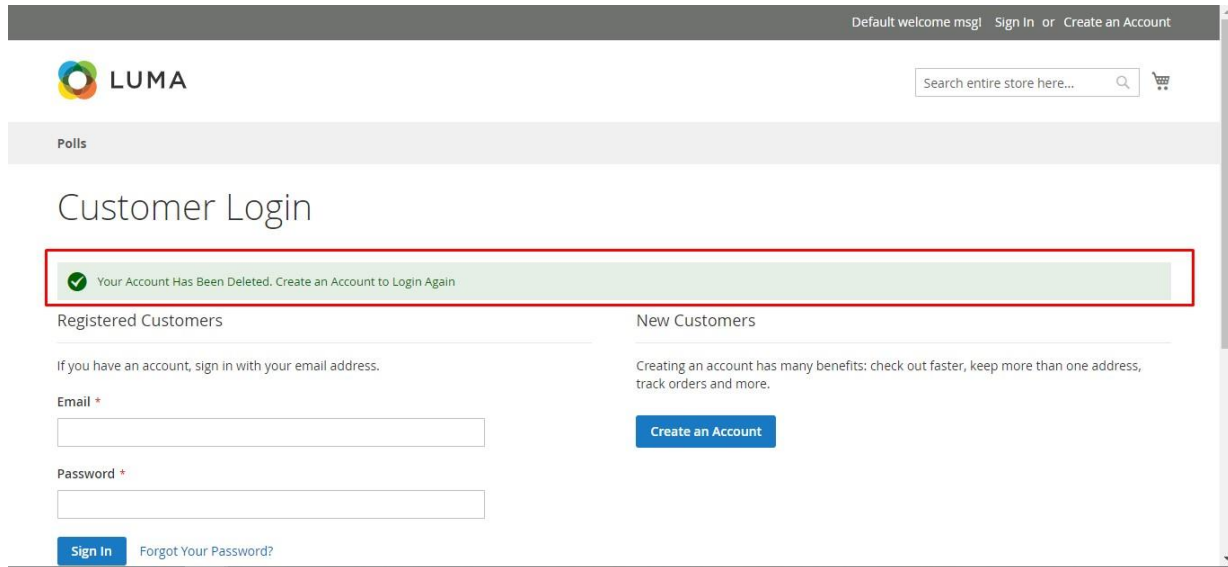

Step 3 :

When You Select The Checkbox and Click On Button, It Will Send Confirmation Email To That Customer.

Step 4 :

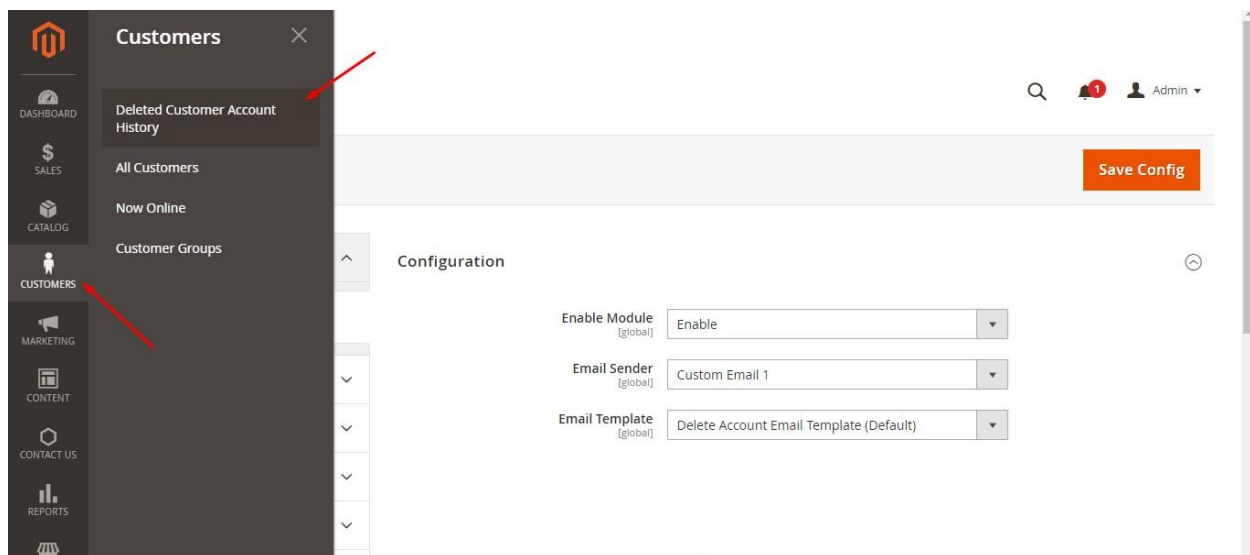

When You Confirm To Delete Your Account From Email, It Will Delete Your Account From The Website, And It Will Redirects You to Login Page With Success Message.

The screenshot shows the LUMA website's Customer Login page. At the top, there's a navigation bar with the LUMA logo, a search bar, and links for 'Sign In' and 'Create an Account'. Below the navigation bar, a green success message is displayed: 'Your Account Has Been Deleted. Create an Account to Login Again'. The page is divided into two sections: 'Registered Customers' and 'New Customers'. The 'Registered Customers' section has fields for 'Email' and 'Password', a 'Sign In' button, and a link for 'Forgot Your Password?'. The 'New Customers' section has a 'Create an Account' button and a brief description of the benefits of creating an account.

Step 5 : (Backend)

Once Customer Deleted Successfully From Frontend, Login To Backend And Customer Menu On Left Panel, And Select Deleted Customer Account History.

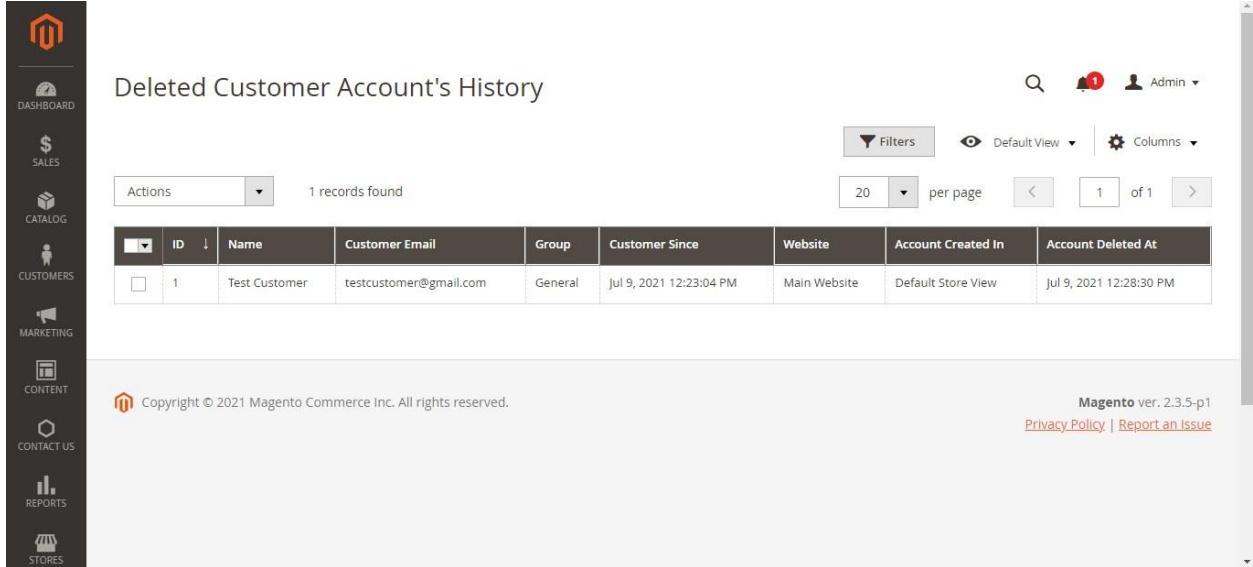

The screenshot shows the LUMA Backend interface. On the left, there's a sidebar menu with icons for 'DASHBOARD', 'SALES', 'CATALOG', 'CUSTOMERS', 'MARKETING', 'CONTENT', 'CONTACT US', and 'REPORTS'. The 'CUSTOMERS' menu item is highlighted. In the main area, there's a 'Customers' panel with a sub-menu that includes 'Deleted Customer Account History', 'All Customers', 'Now Online', and 'Customer Groups'. The 'Deleted Customer Account History' option is selected. To the right of the sidebar, there's a 'Configuration' section with three dropdown menus: 'Enable Module' (set to 'Enable'), 'Email Sender' (set to 'Custom Email 1'), and 'Email Template' (set to 'Delete Account Email Template (Default)'). A 'Save Config' button is located at the top right of the configuration section.

Step 6 :

It Will Shows The History of Deleted Customers

In Backend Grid With Timelog And Some of The Customer Details.

The screenshot displays the Magento Admin interface. On the left is a vertical sidebar with navigation icons for Dashboard, Sales, Catalog, Customers, Marketing, Content, Contact Us, Reports, and Stores. The main content area is titled "Deleted Customer Account's History". At the top right of this area, there is a search icon, a notification bell with a red "1", and a user profile icon labeled "Admin". Below the title, there are controls for "Filters", "Default View" (eye icon), and "Columns" (gear icon). A summary bar shows "Actions" with a dropdown arrow, "1 records found", and pagination controls set to "20 per page" showing "1 of 1" records. The data is presented in a table with the following columns: a checkbox for actions, ID, Name, Customer Email, Group, Customer Since, Website, Account Created In, and Account Deleted At. One record is listed with ID 1, Name "Test Customer", and email "testcustomer@gmail.com". The footer of the page includes the Magento logo, copyright notice "Copyright © 2021 Magento Commerce Inc. All rights reserved.", and the version "Magento ver. 2.3.5-p1". Links for "Privacy Policy" and "Report an Issue" are also present.

	ID	Name	Customer Email	Group	Customer Since	Website	Account Created In	Account Deleted At
<input type="checkbox"/>	1	Test Customer	testcustomer@gmail.com	General	Jul 9, 2021 12:23:04 PM	Main Website	Default Store View	Jul 9, 2021 12:28:30 PM
